Notification of CalEd Grant Awards January 2018

The California Center on Teaching Careers announces the award of the following CalEd grants. Grantees should note the following important information:

- All funded grant budgets were reduced to reflect a funding cut of \$1.7 million in state CalEd Funds after the RFP was issued.
- Some applications were funded in their entirety (minus 18% to reflect the above noted CalEd funding cut) for the Teacher component, the Administrator component, or both components. Some applicants were funded for only part of the total funding requested, again due to the limited state funding available per component. The Grant Award letters sent to each grantee will specify which component(s) are being funded for that grantee and the total amount of funding awarded per component.
- Grantees will receive, along with their funding letters, a copy of the Grant Terms and Conditions and a Grant Award Certificate (GAC) to be signed and returned. Instructions regarding these forms will be provided with the funding letters.
- Funding letters are expected to be sent out in February 2018, pending receipt of the state funds by the Center.
